

UMELBP

The University of Melbourne English Language Bridging Program (UMELBP) is a 10 week course that will help you prepare for tertiary study at the University of Melbourne.

The Course

In this course, you will participate in authentic academic activities and tasks. You will develop the English language skills you need for:

- identifying and taking notes on important information in lectures
- participating in seminars and tutorials
- writing in narrative, argumentative and analytical styles
- reading and analysing a range of authentic materials
- critiquing written and spoken texts.

Assessment

There are four assessment tasks to be completed.

Class study and activities familiarise students with assessment criteria, and teachers will provide feedback throughout the course so that students have a good understanding of how to apply the criteria to the assessment tasks.

The following are the individual assessment tasks and their weightings:

- Mid-course Exam (week 5) 25%
- Research Assignment (due week 7) 25%
- End of course Exam (week 9) 30%
- Presentation seminar (week 10) 20%

Passing the course

The pass grades of UMELBP is dependent on the student's planned University of Melbourne course. If they have enrolled in a University of Melbourne course where the published entry requirement is:

IELTS 6.5

Successful completion of UMELBP requires:

- Minimum of 65% on assessments (overall grade)
- Pass result (65% or more) in at least one of the two exams
- 80% attendance

IELTS 7.0

Successful completion of UMELBP requires:

- Minimum of 70% on assessments (overall grade)
- Pass result (70% or more) in at least one of the two exams
- 80% attendance
